

KTP Associate Seminar

Tuesday 5th September 2017, 12noon – 4pm
Robert Gordon University
Room H230, Faculty of Health and Social Care
Garthdee Campus, Garthdee

Join us for an inspiring day
with lunch provided

Network with the KTP community and find out
more about Knowledge Transfer Partnerships.

Funding for collaborative projects currently
available.

A great opportunity to hear presentations from those involved in Knowledge Transfer Partnership (KTP) and find out more about the exciting and innovative work being undertaken in Scotland. A wide range of topics will be covered including projects from Peak Scientific Instruments Ltd, Empire HR, Stream Technologies, Soil Essentials Ltd, Brightwake Ltd, Paisley Housing Association and Aubin Group, representing some of Scotland's top universities.

Current KTP Associates will give an insight into their experience of KTP. Dr Carol Phillips, CEO, NCIMB, will also give a company view of participating in a KTP project.

Please feel free to distribute this invitation to any of your colleagues.

Benefits of KTP include:

- Academic / industry links developed
- Up to 67% grant support available
- Graduate can register for part time degree
- Project counts to REF
- KTPs have "Impact"
- Publications / case studies / placements / projects
- Average annual increase in company profit of £350K
- New products / processes developed

To register please email nosktp@ktp-link.co.uk by Monday 28th August 2017

with your contact details and any dietary requirements.

There is no fee for this event and lunch is provided.

This seminar is organised by the North of Scotland KTP Centre, a joint venture of The University of Aberdeen and Robert Gordon University.
